

SuperGravy Summer Recipes

Powered by SuperGravy® Instant Gravy and Broth Mixes: *The Most Awarded Pet Food Toppers in pet nutrition history!* CleanLabel™ Formulated with PURE & PURPOSEFUL INGREDIENTS to bring guilt-free "JOY" to dogs and their humans!

SuperGravy Iced BrothBalls

Ingredients: SuperGravy Broth, molds, a freezer, & LOVE!

This SUPER easy treat is made with any ice tray or freezable mold. Use any shape or size. Use BPA FREE molds. *TIP: You can use a styrofoam egg carton as a great free mold for a dozen SG Iced Broth treats!*

- 1- Start with 5 scoops (about 2 ½ tablespoons) of any SuperGravy recipe: Paw Jus™ Brown, Barkinara™ Red, Arfredo™ White (or mix recipes for your own special blend. Example: Barkinara & Arfredo makes a BLUSH Broth!)
- 2- Mix SuperGravy with a quart of warm water in a shakeable container
- 3- Shake vigorously to make a rich broth
- 4- Pour into your mold and set on flat area in freezer until solid.
- 5- Pop 'em out, slide one over to your dog, and watch the JOY begin! *Note: SuperGravy will not completely dissolve. Chia seeds add to the healthy JOY!*

Frozen Fruity SuperGravy Surprise

Ingredients: Watermelon or other fruit + SuperGravy® any recipe

- 1-Cut up Fruit of choice and set aside.
- 2-Spread 4-5 scoops of SuperGravy on a baking sheet
- 3- Place fruit on the baking sheet and roll around to thoroughly coat with SuperGravy.
- 4- When fruit gets a nice coating of SuperGravy all over, simply place baking sheet in the freezer until the fruit freezes.

Alternative TERRIFIC fruit choices: Apples (NO seeds), Cantaloupe, Banana slices, Blueberries (makes tiny treats!),

Exciting add-ons: Coconut flakes (easy and looks cool!) or peanut butter (messy but fun!)

DON'T USE Cherries, Raisins, Apricots, Grapes or Currants: THESE FRUITS ARE DANGEROUS TO SOME DOGS AND SHOULD NEVER BE GIVEN TO THEM

Frozen Veggie SuperGravy Surprise **Ingredients: Fresh Green Beans or Other Veggies, any SuperGravy® recipe**

- 1- Spread 4-5 scoops of SuperGravy on a baking sheet
- 2- Place Green Beans on the baking sheet and roll around to thoroughly coat with mix
- 2- After the Green Beans get a nice coating of SuperGravy all over, simply place baking sheet in the freezer until frozen

Alternative TERRIFIC veggie choices: Carrots, Sweet Potatoes, Beets, Broccoli Florets and Stalks, Kale, Sjinach

PLEASE AVOID: Raw or green potatoes, rhubarb, unripened tomatoes & tomato leaves/stems

Exciting add-ons: Add some shredded or grated cheese, or a dollop of plain yogurt on top before freezing!
